*Sirena Irwin does sketch comedy in 'Sucker-Punch Hug-a-Lug'*

BY MARILYN BECK and STACY JENEL SMITH

Rising talent **Sirena Irwin**, the funny lady known to "SpongeBob Squarepants" fans as the voice of the yellow fellow's mommy, is cracking up audiences as part of "Sucker-Punch Hug-a-Lug." The sketch comedy show that's as far out funny as its name is being performed by the Gas Money comedy troupe with three more shows tonight (Nov. 6) and Nov. 13 and 20 at Hollywood's Theatre Asylum @ Elephant Stageworks. Gas Money (of which our own **Emily Fortune Feimster** is a part) also just performed at the Los Angeles Comedy Festival.
