Natasha Leggero

Hometown: Los Angeles

Why she matters: What's funnier than a comic with politically incorrect cracks about every feminist group's worst nightmare: a pretty ditz who dates older men for their money, shops all day, and refuses to give blow-jobs. She's a witty brunette remaking herself as a dumb blond -- and it's hilarious!

You should know: Leggero has appeared on *Leno*, *Reno 911*, and *It's Always Sunny In Philadelphia*; she made her movie debut in *He's Just Not That Into You*.
