A Plum Role!

IN For fans wondering who's that new guy in town causing Amber trouble, that's Robert Parks-Valletta, who started last week as the blonde bombshell's ex-boyfriend, Plum. The shady character will be a catalyst for an unholy alliance among Amber, Kevin and Daniel, but viewers shouldn't get too attached to the hunk, since Plum's end is near (see In Depth Preview on page 30). Parks-Valletta isn't completely new to soaps. He appeared on *DAYS OF OUR LIVES* this year as attorney Dan Hall.
