

## Six Ways to Shorten the Oscar Telecast:

1) Glue Roberto Benigni to his chair. 2) Combine Best Documentary and Best Short Film categories into Best Artsy-fartsy Stuff. 3) Replace all technical awards with Best Explosion. 4) Have presenters do what they do in movies: Learn their lines! 5) As winners make their speeches, gradually lower the volume on their mikes. 6) There's always the tradition of yelling "Fire!"
