

## **TOMMY GOOCH**

Tommy Gooch was born in Brooklyn, but currently resides in Staten Island, NY. No matter what the venue or city, Tommy's ranting, self-deprecating, family-oriented style of comedy has been hitting hard with audiences for many years. He performs at all the major clubs in New York City and the surrounding area and is a regular at the world-famous Broadway Comedy Club. Tommy also performs at the Borgata Comedy Club in Atlantic City NJ where he had recently headlined. He has been a guest on the Staten Island Comedy Show on Time Warner TV & SiriusXM Satellite Radio. Tommy's natural, loveable, off-the-cuff comedy always makes him a favorite for any spot, as his specialization in audience interaction makes him a popular all-around comic.

In addition to his success within the club circuit, Tommy's hit performances at fundraisers, corporate functions, and various private shows, have led to many return engagements. Not to be excluded, you can add to his list of accomplishments, Bridal showers, baby showers, engagement parties - you name it, and Tommy will add hilarity to your event.
