

KATY FULLAN

Most recently, Katy performed in the 2019 CBS Diversity Showcase. Her work has been featured on Paste, Vulture, NoBudge.com, and JASH. Her latest *Company* screened at the 2018 New Orleans and Dallas International Film Festivals, was a Vimeo Staff Pick and featured on Short of the Week. Katy studied and performed in Chicago at iO, Second City, and The Annoyance. She has also appeared in many national commercials, intense dramatic plays, and experimental films. She is SAG-AFTRA and a 50/50 split of Chinese and Irish.

A stranger once said Katy reminded them of a young Shania Twain, which she considers to be a great compliment and definitely something worth mentioning here.
