

## SHANE MAUSS

Originally from Wisconsin, Shane Mauss caught his first break when he was awarded 'Best Stand-Up' at The HBO US Comedy Arts Festival in 2007. This led to his TV debut and first of five appearances on *Conan*.

Since that time he's been on *Jimmy Kimmel*, Showtime, has had a Comedy Central Presents, a Netflix special *Mating Season*, and most recently released album inspired by breaking both of his feet in a hiking mishap called *My Big Break* which spent time at #1 on the comedy iTunes charts.

Shane has also been getting a lot of attention as a popular guest on podcasts such as *You Made It Weird*, *Bertcast*, *WTF*, *Duncan Trussell's Family Hour*, *TOFOP*, *Crabfeast*, *Never Not Funny*, *Keith and The Girl* and last year he started traveling around the country interviewing scientists about the meanings of life for his own podcast *Here We Are* which has a 5 star rating on iTunes.
